

Magnolia Ridge Amended Pool Rules due to COVID-19

The Magnolia Ridge HOA is working with the Pool Management company to allow the pool to open for residents in accordance with direction from the State of Virginia. These amended rules are in effect until further notice. We provide no guarantee that risk of infection or injury has been mitigated. The pool is used optionally and at your own risk. The community is not liable for infection or injury that may result from the usage of this amenity.

AN INHERENT RISK OF EXPOSURE TO COVID-19 AND OTHER INFECTIONS EXISTS IN ANY PUBLIC PLACE WHERE PEOPLE ARE OR HAVE RECENTLY BEEN PRESENT. COVID-19 IS AN EXTREMELY CONTAGIOUS DISEASE THAT CAN LEAD TO SEVERE ILLNESS AND DEATH. BY USING THE POOL FACILITY, YOU VOLUNTARILY ASSUME ALL RISKS RELATED TO EXPOSURE TO COVID-19

Per the guidance from the Virginia Forward Phase 2 Guidelines for pools, the pool is open for lap swimming, diving, exercise, and instruction only.

1. Admittance:

- 1.1. **Each time you visit the pool, you must bring a dated, signed “Magnolia Ridge Pool Entry Screening” acknowledging that you are not experiencing symptoms of COVID-19. You will not be admitted without this document.**

Residents should not come to the pool if they are sick. If any member of a household has any symptoms of communicable illness, including COVID-19 symptoms, NO member of the household should come to the pool.

By entering the pool area, you are certifying that neither you nor any member of your household have had symptoms of COVID-19 in the past 14 days.

- 1.2. The pool will be open for 4 swim blocks, each separated by a 30-minute window to allow tables and restrooms to be deep-cleaned.

Block 1: 11AM-1PM	Block 1: 11AM-1PM
Block 2: 1:30PM-3:30PM	Block 2: 1:30PM-3:30PM

- 1.2.1. A maximum of 6 households will be allowed into the pool area at one time with a maximum of 18 people in the pool exercising, swimming laps, or giving instruction. This allows us to comply with the required maximum of 3 people in each of our six swimming lanes. Residents with valid pool passes will be allowed entrance on a first-come, first-served basis at the start of each Swim Block.

If the pool is at capacity when you arrive, you are free to wait until there is space.
- 1.2.2. In the event that the pool is at capacity, residents are encouraged to **limit themselves to one swim block per day**. This ensures all residents who wish to enjoy the pool can do so.
- 1.2.3. The pool will close for 30 minutes between swim blocks for the lifeguard staff to disinfect tables and other surfaces. All residents will be asked to leave the pool area at the end of each swim block, regardless of what time they arrived.
- 1.2.4. The entryway outside the gate to the pool now has marked areas every six feet for physical distancing reference when waiting to enter the pool gate. Please do not congregate at the gate.
- 1.2.5. As you enter the pool area, you will be asked to apply sanitizer to your hands.
- 1.2.6. As always, Magnolia Ridge pool pass cards (the actual card, not a picture) with 2020 stickers will be required for entry to the pool. If you arrive without a pool pass card with a 2020 sticker, you will not be permitted into the pool area.
